Product highlights

25 mm diaphragm

The superb quality of the microphone's active diaphragm ensures you always get faithful, crisp sound reproduction.

Omni-directional design

This microphone's sensor is equally sensitive to sound from all directions.

Windshield

The integrated windshield prevents disturbing noises from gusts of wind or breathing too close to the microphone.

1.5 metre cable

The ideal length of cable to give you more freedom of movement and to choose where you carry your audio device.
